

Specification

Technical Data Sheet

Product Name	Zinc benzoate
---------------------	---------------

Product No	12565623
-------------------	----------

CAS Number	553-72-0
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	307.62
-------------------------	--------

Specification

Appearance	Fine white powder
-------------------	-------------------

Mesh size	100% > 300um
------------------	--------------

Non-sludging to ammonia water (as SO₄)	0.2
--	-----

Zinc content	~21
---------------------	-----
