

# Specification

## Technical Data Sheet

<b>Product Name</b>	4-Nitrophenyl-alpha-D-galactopyranoside
---------------------	---

<b>Product No</b>	12679080
-------------------	----------

<b>CAS Number</b>	7493-95-0
-------------------	-----------

<b>Storage Temperature</b>	-15 to -20 °C
----------------------------	---------------

<b>Molecular Weight</b>	301.25
-------------------------	--------

### Specification

<b>Appearance</b>	Light yellow powder
-------------------	---------------------

<b>Identification</b>	Conforms to reference
-----------------------	-----------------------
