

Specification

Technical Data Sheet

Product Name	Potassium tert-butoxide
---------------------	-------------------------

Product No	12739396
-------------------	----------

CAS Number	865-47-4
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	112.21
-------------------------	--------

Specification

Appearance	White to almost white powder
-------------------	------------------------------

Content	≥98%
----------------	------
