

Specification

Technical Data Sheet

Product Name	3-Aminothiophenol
---------------------	-------------------

Product No	12739746
-------------------	----------

CAS Number	22948-02-3
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	125.19
-------------------------	--------

Specification

Appearance	Light yellow liquid
-------------------	---------------------
