

Specification

Technical Data Sheet

Product Name	Chromium(III) chloride hexahydrate
---------------------	------------------------------------

Product No	12743429
-------------------	----------

CAS Number	10060-12-5
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	266.45
-------------------------	--------

Specification

Appearance	Dark Green Crystals
-------------------	---------------------

Assay	≥98.0%
--------------	--------

Iron (Fe)	≤0.05%
------------------	--------

Water insoluble	≤0.03%
------------------------	--------

Calcium (Ca)	≤0.01%
---------------------	--------

SO4 - 2	0.05%
----------------	-------
