

# Specification

## Technical Data Sheet

<b>Product Name</b>	Tetrabutylammonium iodide (TBAI)
---------------------	----------------------------------

<b>Product No</b>	12772405
-------------------	----------

<b>CAS Number</b>	311-28-4
-------------------	----------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	369.37
-------------------------	--------

### Specification

<b>Appearance</b>	White to light yellow crystalline hygroscopic powder
-------------------	--

<b>Melting Point</b>	140-145°C
----------------------	-----------

<b>pH</b>	5.5-8.5
-----------	---------

<b>Assay</b>	>98% (titr.)
--------------	--------------

<b>Moisture</b>	<0.5%
-----------------	-------
