

Specification

Technical Data Sheet

Product Name	2-Ethoxybenzoic acid
---------------------	----------------------

Product No	12850694
-------------------	----------

CAS Number	134-11-2
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	166.17
-------------------------	--------

Specification

Appearance	Colorless or slightly brown liquid or crystals
-------------------	--

Identification	Conforms to reference
-----------------------	-----------------------

Assay	≥99.0%
--------------	--------
