

# Specification

## Technical Data Sheet

<b>Product Name</b>	Naphthol AS-BI phosphate
---------------------	--------------------------

<b>Product No</b>	12921201
-------------------	----------

<b>CAS Number</b>	1919-91-1
-------------------	-----------

<b>Storage Temperature</b>	2 to 8 °C
----------------------------	-----------

<b>Molecular Weight</b>	496.16 (Anhy.)
-------------------------	----------------

### Specification

<b>Appearance</b>	Brownish solid
-------------------	----------------

<b>Assay (HPLC)</b>	≥ 95.0%
---------------------	---------

<b>NMR</b>	Conforms to reference
------------	-----------------------

<b>Identification (IR)</b>	Conforms to reference
----------------------------	-----------------------
