

Specification

Technical Data Sheet

Product Name	5-Benzyloxyindole
---------------------	-------------------

Product No	12928137
-------------------	----------

CAS Number	1215-59-4
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	223.27
-------------------------	--------

Specification

Appearance	Off white powder solid
-------------------	------------------------
