

Specification

Technical Data Sheet

Product Name	Hexyl isothiocyanate
---------------------	----------------------

Product No	12971778
-------------------	----------

CAS Number	4404-45-9
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	143.25
-------------------------	--------

Specification

Appearance	Colourless to light yellow liquid
-------------------	-----------------------------------

Assay	>97%
--------------	------
