

Specification

Technical Data Sheet

Product Name	2-Fluoropyridine
---------------------	------------------

Product No	13025465
-------------------	----------

CAS Number	372-48-5
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	97.09
-------------------------	-------

Specification

Appearance	Colourless to light yellow liquid
-------------------	-----------------------------------

Assay	≥ 97.0%
--------------	---------
