

# Specification

## Technical Data Sheet

<b>Product Name</b>	1,8-Naphthalenediamine
---------------------	------------------------

<b>Product No</b>	13442989
-------------------	----------

<b>CAS Number</b>	479-27-6
-------------------	----------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	158.20
-------------------------	--------

### Specification

<b>Appearance</b>	Solid
-------------------	-------

<b>Identification</b>	Conforms to reference
-----------------------	-----------------------

<b>Assay</b>	≥99.0%
--------------	--------
