

Specification

Technical Data Sheet

Product Name	Arachidic acid
---------------------	----------------

Product No	13447401
-------------------	----------

CAS Number	506-30-9
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	312.53
-------------------------	--------

Specification

Appearance	White flaky crystals
-------------------	----------------------

Melting Point	72-78°C
----------------------	---------

Assay	≥ 98.0%
--------------	---------

Ethanol solubility test	conforms
--------------------------------	----------

Identification (IR)	Conforms to Reference
----------------------------	-----------------------
