

Specification

Technical Data Sheet

Product Name	Cyclopentanol
---------------------	---------------

Product No	13457158
-------------------	----------

CAS Number	96-41-3
-------------------	---------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	86.13
-------------------------	-------

Specification

Appearance	Clear colourless liquid
-------------------	-------------------------

Identification	Conforms to reference
-----------------------	-----------------------

Refractive Index	1.4535
-------------------------	--------

Assay	≥ 98%
--------------	-------
