

Specification

Technical Data Sheet

Product Name	Tetraheptylammonium bromide C ₂₈ H ₆₀ BrN
---------------------	---

Product No	13783946
-------------------	----------

CAS Number	4368-51-8
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	490.69
-------------------------	--------

Specification

Appearance	White/ off white powder flakes or crystals
-------------------	--

Identification	Conforms to reference
-----------------------	-----------------------

Melting Point	89 - 91°C
----------------------	-----------

Purity	≥ 99.0%
---------------	---------

Suitability	Suitable for Ion pair chromatography
--------------------	--------------------------------------
