

Specification

Technical Data Sheet

Product Name	Deoxycholic acid
---------------------	------------------

Product No	13787828
-------------------	----------

CAS Number	83-44-3
-------------------	---------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	392.57
-------------------------	--------

Specification

Appearance	White powder
-------------------	--------------

Melting Point	172 - 174°C
----------------------	-------------

Assay (aqueous acid-base titration)	≥99.0%
--	--------

Optical Rotation	+53.9
-------------------------	-------
