

Specification

Technical Data Sheet

Product Name	Nitric acid (70%)
---------------------	-------------------

Product No	13860773
-------------------	----------

CAS Number	7697-37-2
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	63.01
-------------------------	-------

Specification

Appearance	Colourless liquid
-------------------	-------------------

Assay	min 69%
--------------	---------
