

# Specification

## Technical Data Sheet

<b>Product Name</b>	Evans Blue (C.I.23860)
---------------------	------------------------

<b>Product No</b>	14235117
-------------------	----------

<b>CAS Number</b>	314-13-6
-------------------	----------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	960.81
-------------------------	--------

### Specification

<b>Appearance</b>	Black powder
-------------------	--------------

<b>Loss on Drying</b>	≤10%
-----------------------	------

<b>Total Colour/ Assay</b>	≥85.0%
----------------------------	--------

<b>Solubility at 0.1% in water</b>	Clear blue solution
------------------------------------	---------------------

<b>Specific Absorbance (E1% / 1cm)</b>	≥800
--	------

<b>Wavelength of max absorption</b>	605 - 613nm
-------------------------------------	-------------
