

# Specification

## Technical Data Sheet

|   |  |
|---|--|
| <b>Product Name</b>                             | Zinc sulfate heptahydrate                |
| <b>Product No</b>                               | 14287755                                 |
| <b>CAS Number</b>                               | 7446-20-0                                |
| <b>Storage Temperature</b>                      | Ambient                                  |
| <b>Molecular Weight</b>                         | 287.56                                   |
|   | <b>Specification</b>                     |
| <b>Appearance</b>                               | White crystalline powder                 |
| <b>Identification</b>                           | Conforms to reference                    |
| <b>For research use only, not for human use</b> | For research use only, not for human use |
| <b>Assay (titr.)</b>                            | ≥99%                                     |
| <b>Karl Fischer</b>                             | ≥40%                                     |
