

Specification

Technical Data Sheet

| | |
|---------------------|---------------------------------------|
| Product Name | 4-Amino-2-trifluoromethylbenzonitrile |
|---------------------|---------------------------------------|

| | |
|-------------------|----------|
| Product No | 14856487 |
|-------------------|----------|

| | |
|-------------------|----------|
| CAS Number | 654-70-6 |
|-------------------|----------|

| | |
|----------------------------|---------|
| Storage Temperature | Ambient |
|----------------------------|---------|

| | |
|-------------------------|----------|
| Molecular Weight | 196.2047 |
|-------------------------|----------|

Specification

| | |
|-------------------|------------------|
| Appearance | Off-white powder |
|-------------------|------------------|

| | |
|---------------|---------|
| Purity | ≥ 99.0% |
|---------------|---------|

| | |
|----------------------------|-----------------------|
| Identification (IR) | Conforms to Reference |
|----------------------------|-----------------------|
