

Specification

Technical Data Sheet

Product Name	5,7-Dichloro-8-hydroxyquinoline
---------------------	---------------------------------

Product No	14880646
-------------------	----------

CAS Number	773-76-2
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	214.05
-------------------------	--------

Specification

Appearance	White to beige powder
-------------------	-----------------------

Assay	≥98.0%
--------------	--------
