

# Specification

## Technical Data Sheet

<b>Product Name</b>	3,4-Dimethoxybenzaldehyde (Veratraldehyde)
---------------------	--

<b>Product No</b>	14952127
-------------------	----------

<b>CAS Number</b>	120-14-9
-------------------	----------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	166.17
-------------------------	--------

### Specification

<b>Appearance</b>	Yellow to white sheet crystal
-------------------	-------------------------------

<b>Heavy metals</b>	≤0.001%
---------------------	---------

<b>Melting Point</b>	42 - 45°C
----------------------	-----------

<b>Water</b>	≤0.5%
--------------	-------

<b>Residue on Ignition</b>	≤0.1%
----------------------------	-------

<b>Acid Index ( mg KOH/g )</b>	≤2.0%
--------------------------------	-------

<b>Assay GC</b>	≥99.0%
-----------------	--------
