

# Specification

## Technical Data Sheet

<b>Product Name</b>	Nordihydroguaiaretic acid
---------------------	---------------------------

<b>Product No</b>	14957191
-------------------	----------

<b>CAS Number</b>	500-38-9
-------------------	----------

<b>Storage Temperature</b>	2 to 8 °C
----------------------------	-----------

<b>Molecular Weight</b>	302.36
-------------------------	--------

### Specification

<b>Appearance</b>	White crystalline powder
-------------------	--------------------------

<b>Identification</b>	Conforms to reference
-----------------------	-----------------------

<b>Salmonella</b>	Not detected
-------------------	--------------

<b>Arsenic as As</b>	≤0.2%
----------------------	-------

<b>Copper</b>	≤5.0%
---------------	-------

<b>Heavy Metals (Pb)</b>	≤0.1%
--------------------------	-------

<b>Staphylococcus aureus</b>	Not detected
------------------------------	--------------

## Specification

---

**Purity HPLC**

≥97%

---

**Shigella**

Not detected

---
