

Specification

Technical Data Sheet

| | |
|---------------------|-------------------------|
| Product Name | N,N'-Dimethylpiperazine |
|---------------------|-------------------------|

| | |
|-------------------|----------|
| Product No | 15044534 |
|-------------------|----------|

| | |
|-------------------|----------|
| CAS Number | 106-58-1 |
|-------------------|----------|

| | |
|----------------------------|---------|
| Storage Temperature | Ambient |
|----------------------------|---------|

| | |
|-------------------------|--------|
| Molecular Weight | 114.19 |
|-------------------------|--------|

Specification

| | |
|-------------------|-------------------------------|
| Appearance | Colourless transparent liquid |
|-------------------|-------------------------------|

| | |
|-------------------------|-----|
| Molecular Weight | 114 |
|-------------------------|-----|

| | |
|----------------------------|-------|
| Storage Temperature | +20°C |
|----------------------------|-------|

| | |
|--------------|-------|
| Water | ≤0.5% |
|--------------|-------|

| | |
|--------------|------|
| Assay | ≥99% |
|--------------|------|
