

Specification

Technical Data Sheet

Product Name	Diphenylcarbazone
---------------------	-------------------

Product No	15159849
-------------------	----------

CAS Number	538-62-5
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	240.26
-------------------------	--------

Specification

Appearance	Orange/ red crystal
-------------------	---------------------

Melting Point	149 - 155 Deg C
----------------------	-----------------

Assay	98.0%min
--------------	----------

Residue on Ignition	0.2%max
----------------------------	---------
