

Specification

Technical Data Sheet

Product Name	Tris(hydroxymethyl)nitromethane
---------------------	---------------------------------

Product No	15185875
-------------------	----------

CAS Number	126-11-4
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	151.12
-------------------------	--------

Specification

Appearance	Off-white crystalline
-------------------	-----------------------

Identification	Conforms to reference
-----------------------	-----------------------

Melting Point	$\geq 125^{\circ}\text{C}$
----------------------	----------------------------

Assay	$\geq 98\%$
--------------	-------------

Moisture	$\leq 1.0\%$
-----------------	--------------

Residue on Ignition	$\leq 0.5\%$
----------------------------	--------------
