

Specification

Technical Data Sheet

| | |
|---------------------|----------------------------------|
| Product Name | Ammonium pentaborate octahydrate |
|---------------------|----------------------------------|

| | |
|-------------------|----------|
| Product No | 15338158 |
|-------------------|----------|

| | |
|-------------------|------------|
| CAS Number | 12046-03-6 |
|-------------------|------------|

| | |
|----------------------------|---------|
| Storage Temperature | Ambient |
|----------------------------|---------|

| | |
|-------------------------|--------|
| Molecular Weight | 544.29 |
|-------------------------|--------|

Specification

| | |
|-------------------|--------------|
| Appearance | White powder |
|-------------------|--------------|

| | |
|---------------|--------|
| Purity | ≥99.0% |
|---------------|--------|
