

Specification

Technical Data Sheet

Product Name	Light Green SF Yellowish
---------------------	--------------------------

Product No	15349285
-------------------	----------

CAS Number	5141-20-8
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	792.86
-------------------------	--------

Specification

Appearance	Deep purple powder
-------------------	--------------------

Dye Content	≥80%
--------------------	------

Solubility	Soluble in water to give a clear green solution
-------------------	---
