

# Specification

## Technical Data Sheet

<b>Product Name</b>	Galanthamine hydrobromide
---------------------	---------------------------

<b>Product No</b>	15583131
-------------------	----------

<b>CAS Number</b>	1953-04-4
-------------------	-----------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	368.27
-------------------------	--------

### Specification

<b>Appearance</b>	White solid
-------------------	-------------

<b>Identification</b>	Conforms to reference
-----------------------	-----------------------
