

Specification

Technical Data Sheet

Product Name	o-Cresolphthalein
Product No	15685521
CAS Number	596-27-0
Storage Temperature	Ambient
Molecular Weight	346.38
	Specification
Appearance	Beige/Cream to yellow powder
Identification	Conforms to reference
pH	6.0-7.0
PH colour-changing ranges	8.2 (colorless) to 9.8 (red)
Solubility test in ethanol	Complies
