

Specification

Technical Data Sheet

Product Name	1-Hexyne
---------------------	----------

Product No	15819006
-------------------	----------

CAS Number	693-02-7
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	82.14
-------------------------	-------

Specification

Appearance	Clear colourless liquid
-------------------	-------------------------

Refractive Index	1.3987
-------------------------	--------

Assay GC	>99%
-----------------	------
