

Specification

Technical Data Sheet

Product Name	BOC-L-Lysine-OH
---------------------	-----------------

Product No	15829974
-------------------	----------

CAS Number	13734-28-6
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	246.30
-------------------------	--------

Specification

Appearance	Off white powder solid
-------------------	------------------------
