

# Specification

## Technical Data Sheet

<b>Product Name</b>	2,3-Dichloro-5,6-dicyanobenzoquinone (DDQ)
---------------------	--

<b>Product No</b>	15852956
-------------------	----------

<b>CAS Number</b>	84-58-2
-------------------	---------

<b>Storage Temperature</b>	2 to 8 °C
----------------------------	-----------

<b>Molecular Weight</b>	227.00
-------------------------	--------

### Specification

<b>Appearance</b>	Yellow to orange powder
-------------------	-------------------------

<b>Melting Point</b>	213-219°C
----------------------	-----------

<b>Assay (GC)</b>	≥98.5%
-------------------	--------

<b>Identification, 1H-NMR, IR</b>	Conforms to reference
-----------------------------------	-----------------------
