

# Specification

## Technical Data Sheet

|                     |                             |
|---------------------|-----------------------------|
| <b>Product Name</b> | 4-Chloro-3,5-dimethylphenol |
|---------------------|-----------------------------|

|                   |          |
|-------------------|----------|
| <b>Product No</b> | 15961166 |
|-------------------|----------|

|                   |         |
|-------------------|---------|
| <b>CAS Number</b> | 88-04-0 |
|-------------------|---------|

|                            |         |
|----------------------------|---------|
| <b>Storage Temperature</b> | Ambient |
|----------------------------|---------|

|                         |        |
|-------------------------|--------|
| <b>Molecular Weight</b> | 156.61 |
|-------------------------|--------|

### Specification

|                   |                         |
|-------------------|-------------------------|
| <b>Appearance</b> | White to cream crystals |
|-------------------|-------------------------|

|                       |                       |
|-----------------------|-----------------------|
| <b>Identification</b> | Conforms to reference |
|-----------------------|-----------------------|

|              |       |
|--------------|-------|
| <b>Water</b> | ≤0.5% |
|--------------|-------|

|                  |          |
|------------------|----------|
| <b>Iron (Fe)</b> | ≤100 ppm |
|------------------|----------|

|               |        |
|---------------|--------|
| <b>Purity</b> | ≥98.5% |
|---------------|--------|

|                            |       |
|----------------------------|-------|
| <b>Residue on Ignition</b> | ≤0.1% |
|----------------------------|-------|

|                      |            |
|----------------------|------------|
| <b>Melting Range</b> | 114-116 °C |
|----------------------|------------|
