

Specification

Technical Data Sheet

Product Name	4-(3-Methoxy-4-formylphenoxy)butanoic acid
---------------------	--

Product No	16018472
-------------------	----------

CAS Number	309964-23-6
-------------------	-------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	238.23656
-------------------------	-----------

Specification

Appearance	White powder
-------------------	--------------

Identification	Conforms to reference
-----------------------	-----------------------
