

# Specification

## Technical Data Sheet

<b>Product Name</b>	Baicalin hydrate
---------------------	------------------

<b>Product No</b>	16125997
-------------------	----------

<b>CAS Number</b>	206752-33-2
-------------------	-------------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	464.379
-------------------------	---------

### Specification

<b>Appearance</b>	Pale yellow/ yellow powder
-------------------	----------------------------

<b>Identification</b>	Conforms to reference
-----------------------	-----------------------
