

# Specification

## Technical Data Sheet

<b>Product Name</b>	Antimony (III) chloride ACS
---------------------	-----------------------------

<b>Product No</b>	16167334
-------------------	----------

<b>CAS Number</b>	10025-91-9
-------------------	------------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	228.11
-------------------------	--------

### Specification

<b>Appearance</b>	White to brown lumps
-------------------	----------------------

<b>Assay</b>	99.0 to 101.0%
--------------	----------------
