

Specification

Technical Data Sheet

Product Name	1-Allyl-2-thiourea (1-(2-Propenyl)thiourea)
---------------------	---

Product No	16208131
-------------------	----------

CAS Number	109-57-9
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	116.19
-------------------------	--------

Specification

Appearance	White or colourless crystal
-------------------	-----------------------------

Melting Point	70 - 73°C
----------------------	-----------

Assay	≥98%
--------------	------

Residue on Ignition	≤1%
----------------------------	-----
