

# Specification

## Technical Data Sheet

<b>Product Name</b>	Hexamethylphosphoramide
---------------------	-------------------------

<b>Product No</b>	16296919
-------------------	----------

<b>CAS Number</b>	680-31-9
-------------------	----------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	179.20
-------------------------	--------

### Specification

<b>Appearance</b>	Colorless to light yellow transparent liquid
-------------------	--

<b>Water</b>	<0.3%
--------------	-------

<b>Assay GC</b>	>99%
-----------------	------
