

# Specification

## Technical Data Sheet

<b>Product Name</b>	Sodium pyrophosphate anhydrous
---------------------	--------------------------------

<b>Product No</b>	16359242
-------------------	----------

<b>CAS Number</b>	7722-88-5
-------------------	-----------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	265.90
-------------------------	--------

### Specification

<b>Appearance</b>	White powder
-------------------	--------------

<b>Assay (aqueous acid-base titration)</b>	≥ 98%
--	-------
