

# Specification

## Technical Data Sheet

<b>Product Name</b>	Cyanogen bromide
---------------------	------------------

<b>Product No</b>	16432166
-------------------	----------

<b>CAS Number</b>	506-68-3
-------------------	----------

<b>Storage Temperature</b>	2 to 8 °C
----------------------------	-----------

<b>Molecular Weight</b>	105.92
-------------------------	--------

### Specification

<b>Appearance</b>	White Crystals
-------------------	----------------

<b>Assay</b>	≥97.0%
--------------	--------
