

Specification

Technical Data Sheet

Product Name	o-Anisidine
---------------------	-------------

Product No	16531051
-------------------	----------

CAS Number	90-04-0
-------------------	---------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	123.15
-------------------------	--------

Specification

Appearance	Light yellow liquid
-------------------	---------------------

Identification	Conforms to reference
-----------------------	-----------------------
