

Specification

Technical Data Sheet

Product Name	Tricarballic acid
---------------------	-------------------

Product No	16540384
-------------------	----------

CAS Number	99-14-9
-------------------	---------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	176.12
-------------------------	--------

Specification

Appearance	White powder solid
-------------------	--------------------

Loss on Drying	$\leq 0.2\%$
-----------------------	--------------

Assay	$\geq 98.0\%$
--------------	---------------

Residue on Ignition	$\leq 0.05\%$
----------------------------	---------------
