

Specification

Technical Data Sheet

| | |
|---------------------|--------------------------|
| Product Name | Methyl 2-bromopropionate |
|---------------------|--------------------------|

| | |
|-------------------|----------|
| Product No | 16544642 |
|-------------------|----------|

| | |
|-------------------|-----------|
| CAS Number | 5445-17-0 |
|-------------------|-----------|

| | |
|----------------------------|---------|
| Storage Temperature | Ambient |
|----------------------------|---------|

| | |
|-------------------------|--------|
| Molecular Weight | 167.00 |
|-------------------------|--------|

Specification

| | |
|-------------------|---|
| Appearance | Colourless to light yellow transparent liquid |
|-------------------|---|

| | |
|--------------|------|
| Assay | ≥99% |
|--------------|------|

| | |
|-----------------|-------|
| Moisture | ≤0.3% |
|-----------------|-------|
