

Specification

Technical Data Sheet

Product Name	trans-4-Hydroxy-3-methoxycinnamic acid
---------------------	--

Product No	16557613
-------------------	----------

CAS Number	537-98-4
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	194.18
-------------------------	--------

Specification

Appearance	Off-White powder
-------------------	------------------

Conclusion	Conforms to standard
-------------------	----------------------

Purity	≥ 98.0%
---------------	---------
