

# Specification

## Technical Data Sheet

<b>Product Name</b>	Staurosporine, streptomyces staurosporeus
---------------------	---

<b>Product No</b>	16881725
-------------------	----------

<b>CAS Number</b>	62996-74-1
-------------------	------------

<b>Storage Temperature</b>	2 to 8 °C
----------------------------	-----------

<b>Molecular Weight</b>	466.53
-------------------------	--------

### Specification

<b>Appearance</b>	off-white or light yellow powder
-------------------	----------------------------------

<b>Melting Point</b>	Reported
----------------------	----------

<b>Purity HPLC</b>	≥98%
--------------------	------
