

Specification

Technical Data Sheet

Product Name	1-Chlorobutane SG
---------------------	-------------------

Product No	17105163
-------------------	----------

CAS Number	109-69-3
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	92.57
-------------------------	-------

Specification

Appearance	Clear, colourless liquid
-------------------	--------------------------

Identification	Conforms to reference
-----------------------	-----------------------

Refractive Index	1.4005-1.4035
-------------------------	---------------

Assay (G.C)	≥99.0%
--------------------	--------
