

Specification

Technical Data Sheet

Product Name	Sulfamic acid
---------------------	---------------

Product No	17110782
-------------------	----------

CAS Number	5329-14-6
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	97.09
-------------------------	-------

Specification

Appearance	White powder
-------------------	--------------

Heavy metals	<10ppm
---------------------	--------

Water	<0.1%
--------------	-------

Assay	>99.5%
--------------	--------

Iron	<10ppm
-------------	--------

Sulfate	<150ppm
----------------	---------
