

Specification

Technical Data Sheet

Product Name	1-Decanesulfonic acid sodium salt for HPLC
---------------------	--

Product No	17257571
-------------------	----------

CAS Number	13419-61-9
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	244.33
-------------------------	--------

Specification

Appearance	White/Cream Powder
-------------------	--------------------

Assay	$\geq 99.0\%$ (titration)
--------------	---------------------------

UV 250nm	$\geq 98.0\%$ (Transmittance, 0.005mol/l)
-----------------	---

UV 200nm	$\geq 70.0\%$ (Transmittance, 0.005mol/l)
-----------------	---

UV 220nm	$\geq 90.0\%$ (Transmittance, 0.005mol/l)
-----------------	---
