

# Specification

## Technical Data Sheet

<b>Product Name</b>	Fluorobenzene
---------------------	---------------

<b>Product No</b>	17594250
-------------------	----------

<b>CAS Number</b>	462-06-6
-------------------	----------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	96.10
-------------------------	-------

### Specification

<b>Appearance</b>	Colorless liquid
-------------------	------------------

<b>Purity (GC)</b>	≥99.7%
--------------------	--------

<b>Infrared Spectrum</b>	Conforms to Structure
--------------------------	-----------------------

<b>Refractive index(20 Deg C)</b>	1.464 - 1.466
-----------------------------------	---------------
